Retail Profit

UP TO 40%

Retail Profit is the foundation of the Ventus Plan. As a Ventus Distributor, when you sell products to retail customers, you earn the difference between the Distributor Price (DP) at which the products are purchased and the Maximum Retail Price (MRP) at which the products are sold.

Example:
Our Product MRP = Rs. 6300
Our Product DP = Rs. 4500
Retail Profit (MRP- DP)

DP: Distributor Price
RBV: Re-purchase Business Volume

Repurchase Club 5%

For Qualifying Repurchase Club a distributor must do a self purchase of minimum 500 RBV in a Monthly Business Cycle, 5% of Total Self Purchase RBV done by distributor will be credited in the Distributor Wallet.

Business Matching 12% Incentive

Ventus has devised a unique incentive plan wherein a Distributor can earn by Transacting in our exclusive products range. Introductory of First purchase of these exclusive products generate special points called as First Business Volume (FBV) for the Respective Distributor. To start earning Business Matching Incentive, Distributors need two Business teams- a major Group Team and a Rest all Team. Business Matching incentive is calculated and paid to the Distributors based on the total accumulated First Business Volume (FBV) sales within the placement tree. As your team begins to grow you are entitled to earn 12% Business Matching Incentive based on the total First business Volume (FBV) matched in Major Group & Rest all Business Group.
